Press release from the Belimo Group

Excellent financial year 2010

The Belimo Group, global leader in the field of actuator solutions for heating, ventilation and air conditioning systems, can look back on a good business year in 2010. The European markets recovered quickly from the downturn in 2009, and in the Americas, expectations were exceeded. Growth in Asia/Pacific was once again significantly higher than the previous year.

Sales rose by 10.5 percent in 2010 to CHF 426 million. Adjusted for currencies, this is equivalent to a growth of 14.7 percent. Growth in Europe was 15.4 percent, in the Americas 11.5 percent and in Asia/Pacific 23.4 percent. Air and water applications grew by 13.8 percent and 16.2 percent respectively.

The Belimo Group expects a very good operating result (EBIT) and a solid profit despite negative currency effects. Detailed information on the 2010 financial year will be announced at the media information session on March 14, 2011.
