## 4. Purpose of data collection

Before joining our company or during the application process we use your personal data exclusively for the purpose of establishing a contractual relationship to the extent necessary.

## 5. Data processed by us

The following types of personal data are regularly processed:

- **Applicant data:** name, date of birth, curriculum vitae, nationality/work permit, etc. for the selection, recruitment, entry and exit management.
- **Private contact details:** address, telephone number, email (for the purpose of contact).
- **Data within the framework of personnel screening** e.g. police clearance certificate, reliability test (ZUP).
- **If applicable, data subject to professional secrecy,** e.g. data on health suitability and any restrictions.
- **Other data in personnel management:** severe disability (if relevant), driving licence holder.

We do not require any information from you that is not usable under the General Equal Treatment Act (AGG) (race, ethnic origin, gender, pregnancy, information on physical and mental illness, membership of a trade union, religion or worldview, disability, age, sexual identity or sex life).

We request that you do not send us such data. The same applies to contents that are suitable for violating the rights of third parties (e.g. copyrights, ancillary copyrights or other intellectual property rights, press law or general rights of third parties).

## 6. Legal basis of the processing:

- to establish, implement and terminate a contractual relationship in accordance with Art. 6 (1) lit. b),
- to fulfil a legal obligation under Art. 6 (1)(c),
- in the case of processing, to safeguard a legitimate interest in accordance with Article 6 paragraph 1 letter f),
- as well as on the basis of your consent by voluntarily providing data which are not absolutely necessary for the purpose (such as hobbies in the curriculum vitae. However, such consent is not required for the conclusion or continuation of an existing contract) in accordance with Art. 6 Paragraph 1 lit. a).

## 7. Our legitimate interests lie, for example, in:

- the optimisation of the application processes,
- achieving efficiency gains by bundling services in individual group companies (especially personnel, IT),
- ensuring compliance with safety regulations, requirements, industry standards and contractual obligations,
- assertion, exercise or defence of legal claims,
- the prevention of damage and / or liability of the company through appropriate measures.
